

Sharing the Peace of Christ

Michigan Mission Center - 2018 Spring Educational Conference

“Let the educational and community development endeavors of the church equip people of all ages to carry the ethics of Christ’s peace into all arenas of life. Prepare new generations of disciples to bring fresh vision to bear on the perplexing problems of poverty, disease, war, and environmental deterioration. Their contributions will be multiplied if their hearts are focused on God’s will for creation.”

–Doctrine & Covenants 163:4c
