

Support Sanford Reunion!

Many people ask me "How can I support Sanford Reunion?" and my number one response is always:

PARTICIPATION!

Participating in Sanford Reunion is the best way to support not only the reunion, but the campground as well! In addition to participating there are also many other ways you can support Sanford Reunion, whether or not you are able to attend the reunion. Some suggested ideas include:

- Remember Sanford Reunion in your *prayers*. It is with His guidance that we are able to plan both spiritually and financially for this event.
- Remember Sanford Reunion in your *weekly congregation tithing envelopes*. Every contribution matters! \$1 a week over the course of a year is \$52 and if just 10 people commit to that amount it would bring an additional \$520 to reunion!
- ***Hold a special offering*** during your Sunday service for Sanford Reunion. Having one or two offerings each year can make a substantial difference to the operating fund. Contributions can either be sent directly to Dena DeVormer at the mission center in care of Sanford Reunion or to Dana or Renee at the addresses below. Offerings can also occur both BEFORE and AFTER reunion!
- ***Contribute a theme basket*** or other item to the Sanford Reunion Basket Auction. The auction is tentatively scheduled for Sunday, June 21st at 2:00 PM. Individuals, families or congregations can come together to donate a basket or other item for the auction. Handmade crafts and baked goods are always a big hit as well!
- ***Attend and bid on an auction item!*** There are always amazing finds at the reunion auction!
- ***Donate books*** to the book store! No encyclopedias please ☺
- ***Come and visit us!*** If you are not able to attend the entire time, come and attend a worship service and stay for a meal, the Sunday auction or another event!

As most of you know, the registration fee to attend Sanford Reunion does not cover the cost of food and campground usage fees. That is why your contributions are so important! Keeping the price as low as possible is important in order to ensure everyone, regardless of their financial situation, is given the opportunity to attend and experience the fellowship and spirit of Jesus Christ by coming together in worship at Reunion.

Thank you for your continued support of the Sanford Reunion. Together we are able to continue to offer families and friends the opportunity to experience a Community of Christ Reunion! God Bless!
