What Matters Most? <i>As we complete a fifth year of ministry together in the Michigan Mission Center we are evaluating our priorities for shared ministries and spending. Knowing that the USA model for leading mission will result in fewer World Church employees assigned to Michigan in 2016, we want to ask which local employee positions and missional efforts are supported by members.</i>	Indicate Your Level of Support				
	None	Little	Some	Significant	Full

Feedback received during the “What Matters Most” dialogue sessions held at five locations around the mission center on June 2, 2015 and through online submissions seemed to highlight two general areas of focus for our mission center: Revitalizing Congregations and Leadership Development.

Which current or new ministries or employee positions would most help to revitalize congregations?

Which current or new ministries or employee positions would most help to develop leaders?

What other ideas or feedback do you have regarding budget priorities and planning?
